Over all winner - Dayton Garden Club (\$100.00)

#NGC - Scholarship from Tennessee - Anna Katherine Armour

I want to Thank all the clubs who entered for awards this year, and to congratulate them on great BOE's. The awards listed above pay tribute to the great projects each club have undertaken, and Tennessee is very proud of your accomplishments.

For the clubs who do great projects but haven't turned in a BOE, please consider one, remember it's only 3 pages front side only. I know 2020 has been hard on our clubs, but maybe there are some who have been able to do projects along, if so, do a boe and lets get you some recognition for your hard work.

As always if you have questions please feel free to give me an email, and remember no question is too small. buffiescorner@bellsouth.net is the best way to get in touch with me.

We are very proud of our clubs and their projects, we do great things in Tennessee. Thank You.
