

Greetings,

Please review the price list submitted to us by Sewah Studios for January 1, 2025 – December 31, 2025. There will be a 3% increase for historical marker orders placed in 2025. Sewah Studios have assured me that they are keeping our prices close to 20% lower than the normal cost of their historical markers. Sewah Studios strive to be reasonable and respectful in our partnership of this honorary program.
